

RELATIONSHIPS BUILT ON TRUST

Global pharmaceutical provider **HNS Pharma**, have been distributing generic and branded pharmaceuticals, over-the-counter medicines as well as hospital supplies and equipment around the globe for almost a decade. With offering a worldwide client base a complete solution to their pharmaceutical requirements, they need a provider who can support their steadfast commitment to their partners worldwide.

“Our relationship with Maltacourt developed over the years to the point where you can’t see the join” admits Nilen Patel. **“They understand our business, as well as the demanding requirements and regulations of working with a global pharmaceutical provider.”**

Nilen Patel, Managing Director

The natural choice

With such a close relationship and clear expertise, Maltacourt were the natural choice to take on HNS Pharma’s growing freight requirements, working with HNS across multiple continents supporting the movement of critical pharmaceuticals. Maltacourt have also been able to use their understanding of the market to support HNS through the introduction of the industry changing Falsified Medicine Directive (FMD).

“We offer our clients a complete solution to their pharmaceutical requirements. Our major goal is to provide our customers with a vast selection of high quality pharmaceuticals with a first class service and within the regularly standards of the MHRA. Maltacourt understand that commitment and its reflected in how they work.”
“Their proactive approach and good communication is central to ensuring our consignments go out on time and arrive safely.” Nilen added.

Knowledgeable support

"We hold a full Wholesalers License for our temperature-monitored facility in Feltham and our team are fully GDP compliant. We also partner with a third party Responsible Person to ensure we're maintaining the highest possible standards" explains Maltacourt's CEO Matt Beech.
"This means we can store, handle and deal with pharmacy products, prescription only medicines, traditional herbal medicinal products and General Sale List medicines to the highest industry standards."

Our teams understand the demanding requirements of working with pharmaceutical products and with over 35 years' experience of working in pharmaceuticals our team are well equipped to add value to your supply chain. Whether it be a world leader or a new to industry pharmacist our team are here to support your business navigate the potential pitfalls of transporting and storing; sensitive, time critical and temperature controlled consignments.

Maltacourt's core services are multi-modal transportation, import/export, warehousing, pick and pack, 3PL/4PL and dedicated secure transport. Adaptable and experienced, the global logistics firm pride themselves on working so closely within your business that you'll never need to question how, when or if your targets will be met.

"For 30 years, what we've strived for and achieved between Maltacourt and our clients is trust, expertise and quality," explains CEO Matt Beech. ***"It's a combination that gives our customers the confidence they need to expand."***
